**RECONSTRUCTION BONDS SUBSCRIBED;
USE OF KMT GOLD YUAN PROHIBITED**

Since the middle of March 1949 when the Northeast Executive Committee decided to float reconstruction and production bonds, some 2,400,000 shares valued at more than 220 billion yuan Northeast currency have been subscribed by the inhabitants of Sheng-yang (Mukden). Of this amount, more than 197 billion yuan have already been purchased.

On 28 April 1949, an order was issued by the Nan-ching (Nanking) Military Jux. Vol Commission prohibiting the use of KMT gold yuan as a medium of exchange after 8 May 1949. The exchange rate has been set at 2,500 gold yuan to one People's Bank note.
